## OP PAD MET MANDELA – VYFTIEN LEWENSLESSE

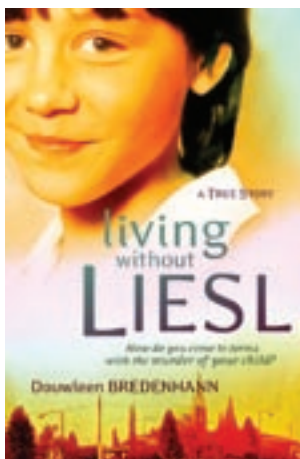

Richard Stengel

As medeskrywer van Nelson Mandela se biografie, *Long Walk to Freedom*, het joernalis Richard Stengel destyds ure in Madiba se geselskap deurgebring. Drie jaar lank het hy hom bykans oral heen vergesel. *Op pad met Mandela – vyftien lewenslesse* is sy manier om hierdie ervaring ook met ander te deel. Die lewenswysheid wat Madiba uit sy grootste uitdagings geput het, word hier in vyftien lesse oor die liefde, die lewe en leierskap vervat.

As the co-writer of Nelson Mandela's autobiography, *Long Walk to Freedom*, journalist Richard Stengel spent nearly three years in Madiba's company, even under the most trying circumstances, an experience he has distilled into fifteen life lessons based on the wisdom of this remarkable man.
